

Frequency expressions

1. Sort the time phrases into a sensible order of increasing frequency.

d'habitude

souvent

jamais

toujours

quelquefois

rarement

Age Group	Percentage
18-24	25%
25-34	20%
35-44	15%
45-54	10%
55-64	15%
65+	15%

2. Translate to French.

Usually, I go cycling with my friends. I often go swimming at the weekend. Sometimes, I play basketball, and I rarely go ice-skating. I never get bored because I love doing sports!

3. Write your own French paragraph using as many frequency expressions as possible.

[illegible]
