

In the restaurant

1. Translate the interaction to Spanish.

Hello! What are you going to have?

What would you like to drink?

Anything else?

What would you like for dessert?

For starter, I am going to have prawns. Yum, yum!

I'm not very thirsty. I want one glass of water.

For main, I would like chicken with rice and lettuce.

I would like a scoop of chocolate ice-cream with a waffle.
