Mi instituto tiene muchas aulas y una biblioteca muy grande. También tenemos unos laboratorios y un comedor donde comemos al mediodía. En mi colegio hay un gimnasio y un campo de fútbol, pero no hay piscina. Sin embargo, no tiene muchas instalaciones deportivas. Aunque no tenemos pistas de tenis, me gusta mi insti porque es moderno y los profesores son simpáticos.

My school has lots of classrooms and a big library. We also have some science labs and a dining room. In my school there is a gym and a football pitch, but there isn't a swimming pool. However, it doesn't have many sports facilities. Although we don't have tennis courts, I like my school because it is modern.
