2. Translate to Spanish.

My favourite programmes are comedies because they are very funny and silly. I also really like news programmes since they are informative. My mum does not like documentaries because they are boring, but my dad loves them. I prefer game shows since they are more fun than reality TV shows. Soap operas are less exciting than police series but police series are very fun.

3. Translate to English.

Prefiero los programas de deportes porque son más emocionantes que los documentales. También me gustan las comedias porque son muy divertidas y me hacen reír. No me gustan los reality porque a veces son aburridos. Mi programa favorito es una serie policiaca; se llama El Misterio. Es muy interesante e informativo.
